GOSSIP OF THE TURF.

A rumor has been circulated at Buffalo, N. Y., that The Jockey Club had announced its intention of assuming charge of the defunct Kenilworth track in that city by paying off its debts and placing M. S. Denslow in charge of the plant. According to the story, the officials of the eastern body were of the opinion that by this plan the track would make enough, under the management of Mr. Denslow, in a short time to place it on a paying basis after liquidating the debts.

Mr. Denslow it is said is non-communicative on the subject. He would neither confirm nor deny the report, but, from the attitude he assumed when asked regarding the matter, there is likely to be nothing in the story.

It was thought at first that one or more individual members of The Jockey Club might have had such designs on the track, as it is a well known fact that many persons prominent in turfdom regard the Kenilworth plant as a valuable piece of property, and believe that with proper management the track could be put on a paying basis.

There promises to be some lively times when the case comes up before the referee on the 22d of next month, when the creditors of the association will be compelled to show cause why the association should not go into voluntary bankruptcy.

Philip J. Dwyer, president of the Brooklyn Jockey Club, was formally put in absolute charge of the Metropolitan Jockey Club's new racecourse at Jamaica at a meeting of the stockholders held at Delmonico's last Saturday.

While it has been generally understood that Mr. Dwyer would have much to do with the direction of the course and would also outline its programs, final arrangements to that effect were not completed until the meeting mentioned was held.

Mr. Dwyer took up the management of the new track only after much persuasion, on account of his arduous duties in connection with the Brooklyn Jockey Club. He is one of the most capable and sensible racing men in the country, with many years of experience on which to base his actions, and the new aspirant for the racing public's favor is to be congratulated. It will be interesting to racing folk to know that the entire Brooklyn Jockey Club force of officials will be taken over to the new track.

Says a dispatch from New Orleans to the Cincinnati Enquirer: "Somebody's error has proved a serious setback for the future career of the colt that ran here last Saturday in the colors of H. T. Griffin under the name of Sir Roche. When application for a name was filed with the Registry Office of The Jockey Club Griffin's desire was to call the youngster St. Roche. A letter with the needed sanction was sent him, but it did not reach here in time for Saturday's race. In the meantime a telegram had been sent asking for the name of the colt, and the reply was Sir Roche. He was carded in this way, and now comes word from the registry office that this name has been awarded some other colt, and he must be called St. Roche. Under the western rules once a horse has started under a certain name it cannot be changed. In other words, if Griffin obeys the orders of the eastern powers he debars his colt from racing in the west. The injustice of the law has been made apparent before."

A visit to Louisville's training grounds last week found everything in a great bustle. The stables wintering there are few in ownership, but quite large in numbers of horses. The weather conditions were not favorable for training, and owners and trainers were hugging the fires, discussing their plans and indulging in predictions as to the Derby and Suburban and other events.

Those wintering at Louisville are R. Tucker, E. Corrigan, P. Dunne, W. F. Schulte, "Brown Dick," Fred Cook, George Long, John E. Madden and

some scattering ones. About the grounds there was great activity. Teams and men were hurrying hither and thither, carrying dirt and building material.

Jockey Nash Turner has arrived at New York from Hot Springs after a hunting trip through Texas and Arkansas, and will rest up for a few days before sailing for France to ride for W. K. Vanderbilt. Turner looks in good physical condition and weighs about 120 pounds stripped. He will be able to reduce considerably, and with anything like good material to ride ought to show something of his old-time form in that country. Spencer, who was with Turner on his western hunting trip, is expected to return to New York in a few days. He will ride in Austria the coming season.

The stewards of the National Hunt and Steeplechase Association at a recent meeting passed the following resolution:

"Resolved, That no sanction shall be given by the stewards to any meeting to run steeplechase or hurdle races until the jumps and courses shall have been pronounced satisfactory by the committee of the stewards appointed for the purpose.

"Further, That the secretary be instructed to send a copy of this resolution to the several associations in the State of New York."

This action is calculated to prevent a repetition of the numerous accidents last season due to the poor condition of the steeplechase course at certain tracks, particularly Gravesend.

The St. Simon-Lady Reel filly, Lady Languish, for which August Belmont paid the record price of \$25,000 as a weanling, has developed into a superb looking two-year-old and much is expected of her this season. Mr. Belmont bought the filly chiefly because of her magnificent breeding. Lady Languish's sire, St. Simon, is considered to be the world's greatest stallion, while her dam, Lady Reel, was the dam of the great Hamburg. Mr. Belmont's horses are divided up into two strings for the winter. One is at Garnet, S. C. in the care of John Whalen, a protege of Mr. Belmont's regular trainer, John Hyland, while the latter has the other string at Babylon. Masterman and Namtor, the best four-year-olds in Mr. Belmont's stable are at Babylon and Garnet, respectively, and both will be pointed for the spring handicaps. Among the two-year-olds is a filly named Mica, which is a full sister to Mizzen.

Monte Carlo and Tantalus Cup, Dr. J. G. Lyman's three-year-olds wintering at Iroquois Stud, Lexington, Ky., in charge of trainer W. N. House, are looking well and are as rugged and healthy as old campaigners, and fit right now to go into training. House, however, is going slow with the pair, especially the former, as the son of Pontiac will be pointed by his trainer for Realization honors.

NOTES OF THE TURF.

The projected meeting at Los Angeles has been called off. The city council passed an ordinance which was signed by the mayor prohibiting betting in any form. This measure was the immediate cause of the action taken by Mr. Brooks and his associates in abandoning the proposed meeting. All horsemen have been notified not to ship their stables.

Henry Simons and Dr. B. Talbot engaged in a fight at the New Orleans track Tuesday after the races were over. As a consequence the stewards passed an order yesterday suspending both and denying them all privileges of the track until further notice.

W. C. H., Chicago. It was El Piloto and not El Pilar that was entered and ran in the first race at Oakland Monday. By an error in telegraphing entries El Pilar was sent. All bets on the latter are void.

R. & S., Monroe, La. The three horses you name did not meet in a race at Latonia.

Winner—Ch. c. by Prince Royal—Lonely (trained by G. Covington). Went to post at 2:15. At post 1 minute. Start bad. Won driving; second the same. Seize beat the barrier and finally scored after forcing the pace throughout under a tremendously vigorous ride. Tommy Knight tired right at the end after appearing all over a winner when a furlong out. Pure Dale secured a lucky start and was prominent and promising until a wide stretch turn temporarily lost her several lengths. At the end she was swerving, but was closing up fast under a bungling ride. Vigoroso went in improved form. Gus Lanka closed a gap from a poor start. Gyros also closed a big gap from a bad start. Anvil quit after going a fast half.

Scratched—37036 Sampson Plunkett, 102; 37087 Escarola, 100.

Crew-weights—Seize, 3 pounds; Indina, 2; Step Around, 2; Altawan, 3; Tommy Knight, 1.

Winner—B. c. by Watercress—Calve (trained by G. B. Morris). Went to post at 2:40. At post 1 minute. Start bad. Won easily; second the same. Box Wood was flatfooted at the start, but went after the leaders and made up ten lengths in a jiffy, went to the front in the stretch cantering and is evidently a crackerjack. Midway got away running and made the most of the advantage, but succumbed easily to the winner after going a fast quarter. She was high and will improve into a good one. Ravelena, which was nearly left, trailed to the stretch and came along fast at the end. Emil displayed but little speed. Softa, another good looker, went a good first quarter and tired.

Scratched—Celebrant, 114; 37072 Resigned, 108.

Box Wood, show, out. Midway, show, 2 to 5. Ravelena, show, 2 to 5.

Winner—B. f. by Esher—Sonora (trained by J. F. Schorr). Went to post at 3:02. At post 3 minutes. Start fair. Won easily; second the same. Esherin worked a rough journey, being repeatedly interfered with, but finished through the last quarter like a good one and was much the best. Fossil sustained his superior speed gamely and is a greatly improved colt. F. W. Brode was handicapped by the soft going and after forcing the pace to the stretch tired perceptibly and can do much better. Nigrette took the longest way and was poorly ridden throughout. The Pride quit after showing a good half. Sir Hugh ran poorly.

Esherin, show, 1 to 3. Fossil, show, 3 to 1. F. W. Brode, show, 4 to 5. Nigrette, show, 3 to 5.

Winner—Ch. h. by Brutus—Nerva (trained by A. C. Ridey). Went to post at 3:27. At post 1 minute. Start fair. Won handily; second the same. The Fretter gained a lucky start, and under a skillful, vigorous ride forced the pace throughout and drew decisively clear on the far turn, but was driving at the end. Dr. Bernays, away badly, trailed far out and came with a belated rush at the end. Ulloa was always well up and ran a very good race in such company. Ishtar raced the winner a fast seven furlongs and quit, being handicapped by the damp going.

Scratched—37125 Corrigan, 117.

Winner—Br. f. by Brutus—Bessie (trained by T. Hurns).
Went to post at 3:56. At post 6 minutes. Start fair. Won easily; second handily. Mexicana beat the barrier, but indulged Bell Read to the stretch, where she went to the front and won cantering. Somenos was vigorously ridden and ran a good game race. Oro Viva closed up with a rush in the stretch and was probably second best. Modicum raced in the deep going throughout and was badly interfered with at the end. Onyx II. tired at the end. J. H. Bennett closed a big gap from a poor start. Bell Read is a pronounced quitter.

Winner—Br. m. by St. George—Vantage (trained by T. Kiley).
Went to post at 4:24. At post 2 minutes. Start good. Won handily; second easily. Irene Lindsey indulged Tower of Candles with the lead to the stretch, where she worked to the front and finished with something in reserve. Mocerito, away poorly and in the worst going, made up much ground and finished with a rush. Bright Phoebeus, always in contention, appeared to sulk in the stretch, but finished fast under the whip. Tower of Candles disliked the soft going and tired badly in the last quarter. Hainault was always outrun and can do better. Diderot is out of place in sprints.

Winner—B. or br. c. by Ben Brush—Atala (trained by S. W. Streett).
Went to post at 2:02. At post 4 minutes. Start good. Won easily; second driving. Brush By displayed the most speed at all stages, went to the front without much effort and easily came away in the stretch. Laton finished on the extreme outside, was under a hard drive all of the last quarter and out-gamed Lady Mistake and Fair Lass when it came to a finish. Lady Mistake ran well, but was tiring at the end, and the same applies to Fair Lass. Roll Call was in the middle of the track in the deep going all the way. She is worth remembering. Paramount was as good as left at the post. La Honda showed speed.

Scratched—37100 Mezzo, 106.

Winner—Ch. c. by Donald A.—Missouri (trained by J. W. O'Neill).
Went to post at 2:34. At post 9 minutes. Start good. Won handily; second easily. Dr. Scharff got off running on the path, raced Paul Creyton to defeat in the first half and stood off a challenge from Optional in the stretch run. The latter closed a big gap, but tired when it came to a hard drive. Paul Creyton tired in the last furlong. Apple Sweet had the path at the post, but Robbins took her back in the first furlong and cut across to the inside at the turn into the homestretch and then pulled out to the middle of the track.

Winner—Br. c. by St. Carlo—Vernette (trained by H. T. Griffin).
Went to post at 3:06. At post 5 minutes. Start fair. Won driving; second easily. Sir Roche was off running on the outside, kept the path all the way, finished gamely and had enough left to stall off Dick Bernard's challenge at the end. The latter came fast, but tried to bear in in the last sixteenth and Redfern had to stop riding hard. McGonigle looked big when going to the post. He showed a lot of early speed, but tired as if short. Arnold K. was practically left at the post.

Erne was crowded back at the start, but made up a lot of ground and finished fast. Satin Coat made up ground in the final quarter. Ceylon ran a fairly good race. Vevuvia showed early speed.
